### **Police investigating collision involving teen on bicycle and vehicle**

Howard County police are investigating a collision involving a 13-year-old girl on a bicycle and a pickup truck this morning. The teen was transported to the University of Maryland Shock Trauma Center and is listed in stable condition.

Police were called around 9 a.m. to Cedar Lane and Hickory Ridge Road. Through preliminary investigation, police believe the collision occurred as the teen was crossing the crosswalk on Cedar Lane as a 1997 Ford pickup truck was driving southbound on Cedar Lane near Hickory Ridge Road.

The driver of the pickup truck, Rosemary Ford, 69, of Jessup, was not injured.

The teen, from Columbia, is not being identified at this time.

The specific details of the collision, including its cause, are still being investigated. No citations have been issued.
